Voltage: All models are available in 12 volt DC, 24 volt DC, 110AC, or 220AC. Listed energy consumptions are for 12 volt units; 24 volt units use half the listed amp hours. Kwhrs are listed for AC units.

Colors: A wide variety of custom laminates and wood veneers are available. Standard color is white.

Terms: Pre-payment required. Production will not begin on custom colors/wood veneers until full payment is received.

Clearance: The doors are mounted on a continuous piano hinge. **It is important to allow an additional 3.75" width on the hinge side for the door to open.** All units require minimum 6" clearance above to allow for heat ventilation.

Base Cabinets: Custom built with two side by side drawers. Available in 13" and 24" heights or 4" stand.

Composter: Attractive Solid Oak Composter available. Please see enclosed brochure.
